CREATED IN HONOR OF FREE COMIC BOOK DAY

Free Comic Book Day is a single day when comic book shops across North America and around the world give away comic books absolutely free. It is a world-wide celebration of comics and provides access for new people to enjoy the excitement of comics for the first time. While the day is usually set for the first Saturday in May, this year the day has been postponed due to Covid-19. Get updates and learn more at freecomicbookday.com.

“Visit” your local comic book shop!

May we suggest visiting our friends at Superscript Comics & Games located on Madison Ave in Lakewood, Ohio. Check out their plans and all they have to offer online here: superscriptohio.com.
