

## SPACE RENTAL STATEMENT

Beck Center for the Arts programming accounts for a vast usage of spaces within our facilities on our campus, and because of this, space rental opportunities at Beck Center are limited. However, there are occasions when some of our spaces might be available for rental. When these opportunities arise, more often than not, we are able to accommodate rentals such as business meetings, corporate events, lectures and similar gatherings. In general we rarely consider rentals that are of a performance nature, though the staff is happy to consider all requests.

To have your rental request considered please contact our Customer Service Manager, Rennie Tisdale, at **216-521-2540 ext. 28** or [rtisdale@beckcenter.org](mailto:rtisdale@beckcenter.org)
